

Privacy Policy for Yakloo

Effective Date: 26th Jan, 2026

Yaklo respects your privacy. This Privacy Policy explains how your information is handled when you use the Yaklo mobile application ("App").

1. Information Collection

Yaklo **does not collect, track, store, or transmit any personal information.**

- We do **not** require you to create an account
 - We do **not** collect names, email addresses, phone numbers, or identifiers
 - We do **not** use analytics, ads, or tracking SDKs
-

2. Local Data Storage (SwiftData)

All data created within Yaklo is stored **locally on your device** using Apple's **SwiftData** framework.

- This data never leaves your device unless you explicitly enable iCloud sync
 - We do not have access to this data
-

3. iCloud & CloudKit

If iCloud is enabled on your device, Yaklo may sync your app data using **Apple CloudKit**.

- Data is stored securely in your **private iCloud container**
 - The data is encrypted and managed entirely by Apple
 - Yaklo developers **cannot view, access, or retrieve your data**
 - Data handling is governed by **Apple's Privacy Policy**
-

4. Third-Party Access

Yaklo does **not** share your data with:

- Advertisers
- Analytics providers
- Third-party companies
- External servers

No third parties receive your data.

5. Data Security

Because all data is stored locally or within Apple's iCloud infrastructure, security is handled by:

- Your device's operating system
 - Apple's encryption and security mechanisms
-

6. Children's Privacy

Yaklo does not collect personal data from anyone, including children under the age of 13.

7. Changes to This Privacy Policy

If Yaklo's data practices change in the future, this Privacy Policy will be updated accordingly. Any changes will be effective upon posting the updated policy.
